

30 September 2026

This is to certify that Licos, Annelene Sorongon, holder of HK ID No. [REDACTED], has worked for my family as a domestic helper for 12 years since October 2014.

Anne's main duty is to look after my daughter, and she has completed all her tasks during the term she has worked for my family.

Both parties have mutually decided not to renew the contract.

I wish her good luck in her future endeavour.

Sincerely,
