Recommendation Letter for B \, Marivic Fl s

I am writing to recommend E \, Marivic F s. She has worked as our domestic helper for eight years.

She is honest, responsible, and diligent. She cleans and maintains the house carefully, keeping our home tidy. She constantly looks after our family members with genuine care. She is willing to take instructions, as well as learn new cooking styles and working methods. Her cooking is pleasant, and she can adapt to the family's eating habits.

We have enjoyed a good working relationship with her over these eight years. Overall, we find her a reliable domestic helper and are happy to recommend her.

Yours faithfully,

M
