Recommendation Letter

Date: 7th November 2026

To Whom It May Concern,

I am writing this letter to sincerely recommend **A .O MARLYN S :E (Passport No: P7 3)**, who has served our family faithfully as our foreign domestic worker for 10 consecutive years.

She joined our family when our child was only 2 years old. Over the past decade, she has been the main caregiver who patiently and carefully looked after our child's daily life, growth and daily routine from toddler age until now.

Apart from childcare, she is fully responsible for all household duties, including thorough house cleaning, laundry, ironing, grocery shopping, and cooking daily family meals. She is tidy, organised and meticulous in every household task.

In addition, she is also responsible for taking good care of our family dog. She is gentle and caring towards pets, always keeps the dog clean and well looked after.

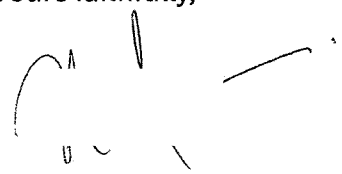

Throughout these 10 years, she is extremely hardworking, honest, reliable and trustworthy. She works actively without supervision, is obedient, humble, and rarely causes trouble or unnecessary complaints. She has a stable personality and gets along harmoniously with our family. Her overall work performance has been consistently good, with no major disputes or prolonged absenteeism during her employment.

We do not renew her contract only due to our personal family arrangement. Her working attitude and ability are fully recognized and highly praised by our family.

I sincerely and wholeheartedly recommend her to any future employer. She is an outstanding, loyal and high-quality domestic helper who will definitely bring great help to your family.
