

REFERENCE LETTER

To whom you may concern,

I am writing to certify that Ms Jonalyn Tanilon POPANES [HKID W] has worked for me as domestic helper since 17 June 2024. She will complete her 2-year contract on 17 June 2026.

Jonalyn's main duties are taking care of kids, cleaning, cooking and other household chores. She has been taking care of my younger girl since newborn. She is especially good in interacting with kids. She is proactive in playing and reading with them. She always makes efforts in tying hair for my elder girl.

I thank her for her service in my home.

Yours sincerely,

Mrs g
